**Administrative Rules for
Foster Homes
Effective 04/10**

When ODJFS administrative rules for foster homes are updated, the latest version of the rules can be found in the Family, Children, and Adult Services Manual on the ODJFS internet site. Instructions to access the internet site are on the next page.

Instructions for Internet Access to the ODJFS Family, Children and Adult Services Electric Manuals

The electric manuals include the most up-to-date version of ODJFS rules.

1. Go to the following internet address: <http://emanuals.odjfs.state.oh.us/emanuals/>
2. On the left side of the screen, click on "Family, Children and Adult Services Manual."
3. Click "Rule Index."
4. Select the appropriate rule and read from there. The most relevant rules would be 5101:2-1-01 or any of the 5101:2-5 or 5101:2-7 rules. Those rules are the most relevant for foster parents.

Under each of the headings on the left side of the screen is an index of the topics under that heading. Clicking on any of the topics will give you another index of the items included under that topic. (Note: there are a few topics that do not have an index and may have two or more rules consecutively, but for the most part, the rules are listed in an index under each topic.)

Definitions for all terms used in Ohio Administrative Code (OAC) Chapter 5101:2-7 are found in the general child welfare definitions rule, OAC rule 5101:2-1-01. The current version of OAC rule 5101:2-1-01 can be found in the Family Children and Adult Services Electronic manuals as described above.

 - (3) A foster care applicant.
- (L) The applicant or foster caregiver shall provide verification to the recommending agency that the conditions specified in paragraph (I) of this rule are met for that person and for all adult members of the household. If the applicant or foster caregiver fails to provide such proof or if the agency determines that the proof offered by the person is inconclusive or insufficient, the applicant shall be denied certification and a foster caregiver's certificate shall be recommended for denial or revocation pursuant to rule 5101:2-5-26 of the Administrative Code.

- (M) In accordance with rule 5101:2-5-09.1 of the Administrative Code, a criminal records check shall be requested:

 - (2) For currently certified foster caregivers who will be recertified after August 14, 2010, the requirements of paragraph (M) of this rule shall apply.
- (O) Prior to certification or recertification, the foster care applicant subject to a criminal records check shall notify the recommending agency of the revocation of any foster home license, certificate, or other similar authorization in another state occurring within the five years prior to the date of application to become a foster caregiver in this state.
- (1) The failure of a foster care applicant to notify the recommending agency of any revocation of that type in another state that occurred within that five-year period shall be grounds for denial of the person's foster home application or the revocation of the person's foster home certification, whichever is applicable.

- (Q) A conviction of, or plea of guilty to, an offense listed in paragraph (J) of this rule shall not prevent a person's certification as a foster caregiver or being an adult household member of the home if the person has been granted an unconditional pardon for the offense pursuant to Chapter 2967. of the Revised Code or the conviction or guilty plea has been set aside pursuant to law. - (1) If a foster care applicant fails to notify the recommending agency, the recommending agency shall recommend denial of the foster home application to ODJFS.
- (2) ODJFS shall deny a foster home application on the grounds that a person at least twelve years of age but less than eighteen years of age residing with the foster caregiver or foster care applicant has been convicted of or pleaded guilty to an offense listed in appendix A to this rule or has been adjudicated to be a delinquent child for committing an act that if committed by an adult would have constituted such an offense, unless the agency establishes that the delinquent child meets the rehabilitation provisions of paragraphs (I)(3) and (I)(4) of this rule.
- (3) In considering the provisions of paragraphs (I)(3) and (I)(4) of this rule, the agency shall view these provisions considering the age of the delinquent child involved and the age and sex of children that are or would be placed in the foster home.

The approval must have occurred within six months prior to the initial recommendation for certification of the applicant's home by the agency and within ninety days of any change of address of the foster home.
- (Y) If the applicant or foster caregiver is unable to obtain an inspection as required by paragraph (X) of this rule due to the unavailability of a state certified fire safety inspector or the state fire marshal's office, they shall notify the agency.
- (Z) A foster caregiver or applicant shall complete all preplacement and continuing training as required by rule 5101:2-5-33 of the Administrative Code and any additional hours of training required by the recommending agency's written training plan.
- (AA) A foster caregiver or applicant shall comply with all agency policies or instructions including cooperating fully with the agency during the certification or recertification process.
